President's Message

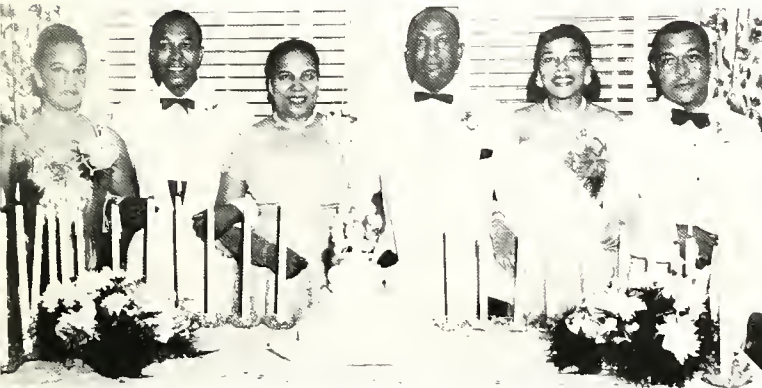

At no previous time in history has college education on the broad scale been more important in the development of our democratic ideals and aspirations. The growth of American ideals has been, in the main, dependent upon men and women who have attended the colleges and universities. In a similar manner, the growth and development of our way of life will continue to take place as a result of the interpretation and achievement of our present college generation.

The students of this college generation will be called upon to carry the major responsibilities for the programs that lead toward harmony and human welfare. The activities and the programs in which you engage are the beginnings of the contributions which you will make. In this yearbook I hope one may discover some of the signs of your growth and development in that direction.

WILLIAM K. PAYNE
FIFTH PRESIDENT

A.B., Morehouse College; M.S., Columbia University; Advanced Study, University of Minnesota and University of Chicago; Litt. D., Allen University.

Dr. and Mrs. W. K. Payne Celebrate Their Twenty Fifth Wedding Anniversary—On Sunday, June 21, 1953, Dr. and Mrs. W. K. Payne celebrated their 25th Wedding Anniversary at the President's Residence. Members of the receiving line are shown here with the beautiful wedding cake. They are from left to right: Mrs. C. C. Beverly, Orlando, Fla.; Dr. W. K. Payne II; Mrs. W. K. Payne; Dr. Payne; Miss Rosalyn Payne and Dr. C. C. Beverly, Orlando, Fla., brother of Mrs. Payne.

Dr. and Mrs. W. K. Payne entertain Bishops During A.M.E. Connectional Council Meeting of Bishops held in Savannah during February, 1954. Bishop S. L. Greene, President, Council of Bishops, is seated on the extreme left.

FOREWORD

Though time will pass, and we shall part, this book will be an unbreakable link in our chain of memories And if, when looking across the "Span of Time" covered in these pages, you relive the happy days of yesteryears for just a while, our efforts will not have been in vain.

Thus we present this book to you. May your hearts be lighter and your lives be happier for the collegiate memories it may bring.

Yours,
Johnnie P. Jones
Editor-inChief

DEDICATION

Miss Loreese E. Davis
A. B., W. Va. State

The 1954 TIGER
is dedicated to
MISS LOREESE E. DAVIS
Counsellor for Women

Counsellor of women at Savannah State, Miss Davis is one of the few members of the administrative staff who have close contact with almost every student. To many, she stands as a personification of the strength, dignity, generosity, and practicality that must characterize any definition of Savannah State. Miss Davis represents a vital force which expresses itself at both the administrative and personal levels of college life, and which will continue to do so for a good time to come.

It is in these terms and not merely in those of "long and devoted service" -- that we think of Miss Davis in this dedication. Out of respect and gratitude for her service at the College, the staff is proud to dedicate the 1954 TIGER to her.
